EATRAID ETERE TRAINING SERVICES

Professional Staff

Etere offers a suite of training services tailored to typical operational as well as systems administration needs. Our Training services are designed to allow you to maximize your investment and ensure ongoing smooth operation.

With the proper training, operators and engineers become more efficient and knowledgeable in their duties; they will learn how to create workflows to improve operations and reduce costs and mistakes.

The courses are prepared by expert Etere's engineers who know the requirements to operate production rooms, master control centers, newsrooms and network facilities because a lot of time they've faced these challenges and designed solutions.

Training Courses

Etere Training helps you to acquire, maintain and optimize you technical skills through a wide range of available courses.

Training can take place either on your site or, if convenient, at Etere's offices. Our training courses, covers everything you need to know about managing and maximizing the efficiency of your Etere modules.

Certification

Become an expert in Etere systems with Etere's Certification courses that aims to provide an in-depth understanding of Etere systems for administrators and operators.

Our goal is to empower users with the best tools to thrive in the ever-changing broadcast landscape and Etere system is designed to help you to streamline operations and increase revenue.

Our certification courses come with the same renowned consistency, exceptional service and proven track record that we are known for.

Get maximum benefits with certified courses conducted by Etere trainers who represents a unique cross section of broadcast and IT experiences.

About Etere

Founded in 1987, Etere is amongst the worldwide leaders in Media Asset Management and channel in a box software solutions for broadcasters and media companies. Etere's unique MERP software-only solution is used by many of the world's leading Media Enterprises to power their digital assets. Its modular solutions including Airsales, Ad Insertion, playout, HSM archive, TV automation and Censorship are built with an innovative architecture, offering the best flexibility and reliability in the market. Etere is headquartered in Singapore, with a dedicated 24/7 support centre in Italy. **E-mail:** info@etere.com
